School of Medicine

EPA Region V Asthma Forum- June 5, 2012

MEDICAL MANAGEMENT OF ASTHMA

Environmental control measures to avoid or eliminate factors that precipitate asthma symptoms or exacerbations

HOME ENVIRONMENTS OF ASTHMA PATIENTS: TRAINING PHYSICIANS

- Need for training physicians
- Overview of Asthma home environmental interventions
- Training Program: Case Healthy Homes and Patients Program
- Outcomes
 - Physicians-in-training
 - Patient clinical outcomes

HOME ENVIRONMENTS OF ASTHMA PATIENTS: TRAINING PHYSICIANS

Need for training physicians-

- Accreditation requirements for residency training programs in Pediatrics and Family Medicine include *expectations* for learning about environmental illness and injury.
- Few programs have some didactic training
- We provide hands-on experience in their own patient's home
